

Portraits
of
Loved
Books

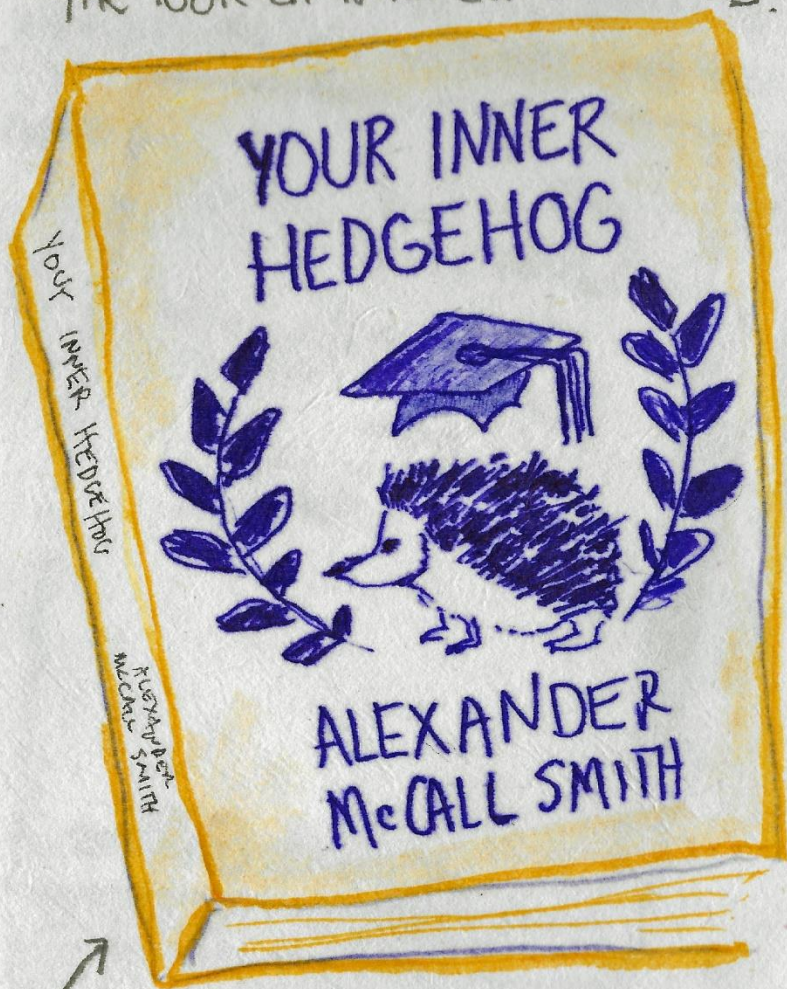

art by sue clancy
book loving by both
sue clancy & judy sullens

i liked it that noone in this
story was too old (or too anything)
to pursue their dreams or loves!

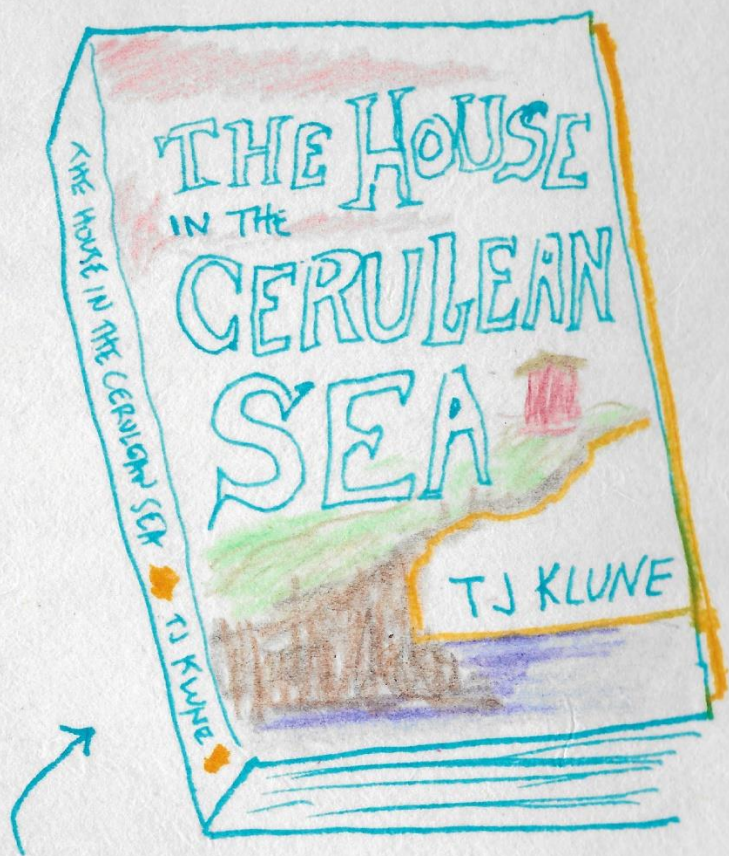

i also enjoyed the look at
human nature

the silliness was fun as was
the look at what education means!

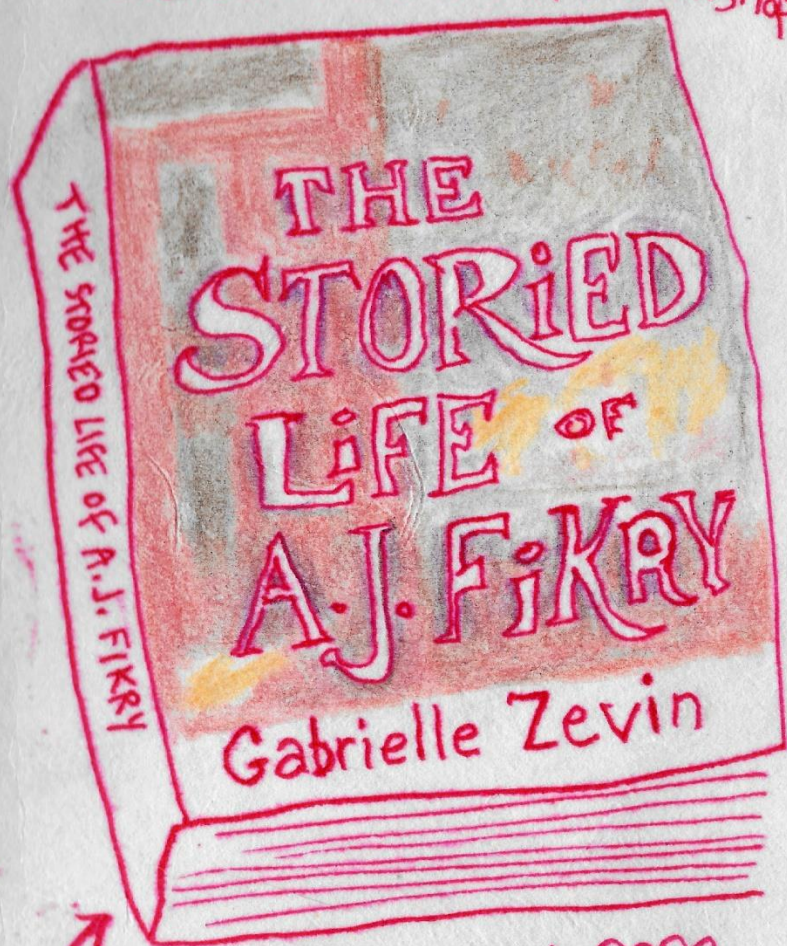

such fun!

i delighted in the odd fantastic creatures!!

a beautiful "song" about love!

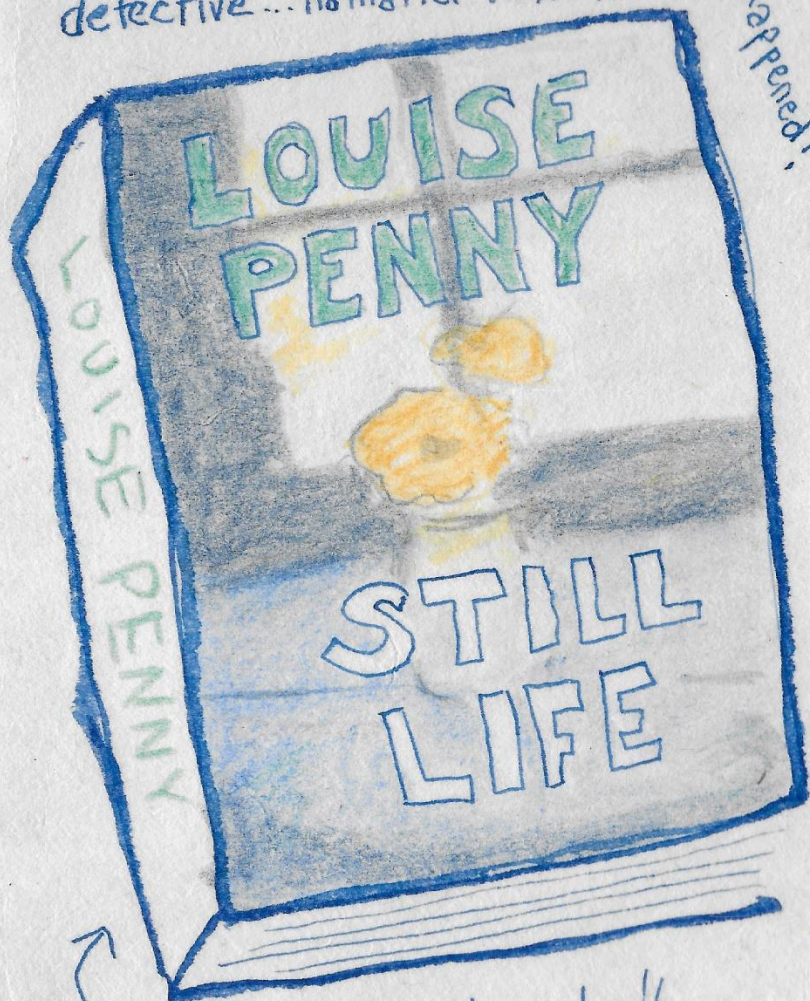

i didn't want this story to
ever end! it's set in a bookshop!

Love Love LOVE! ♡♡

it was a pleasure to spend time with
a wise, compassionate, thoughtful
detective... no matter what horrors

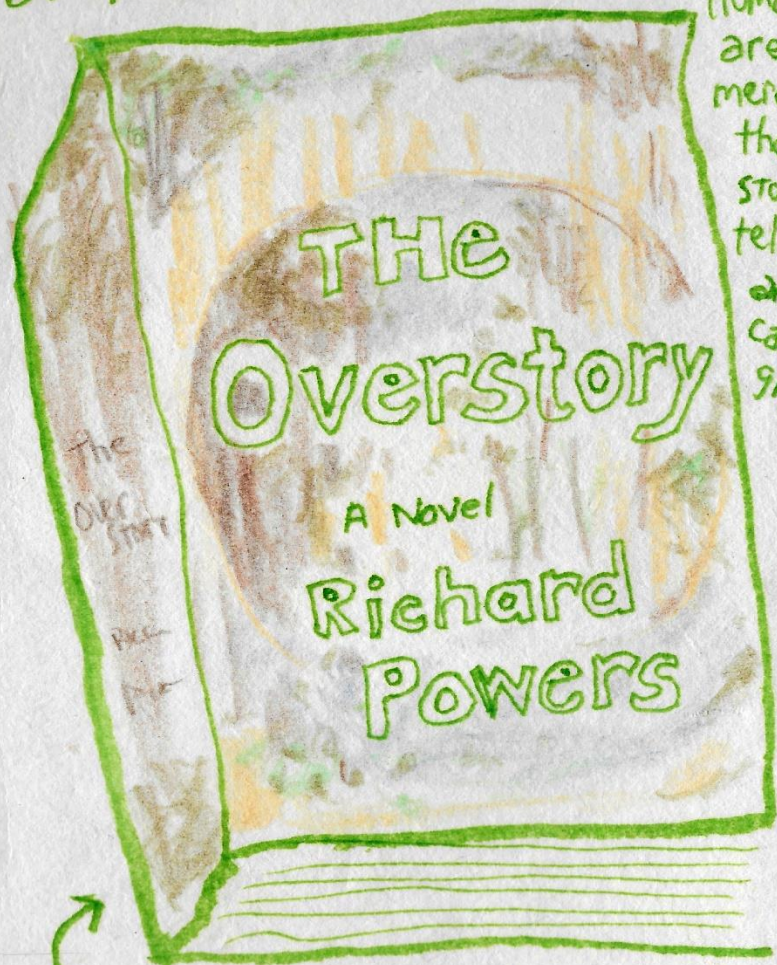

happened!

↖ kindness happens here too!!

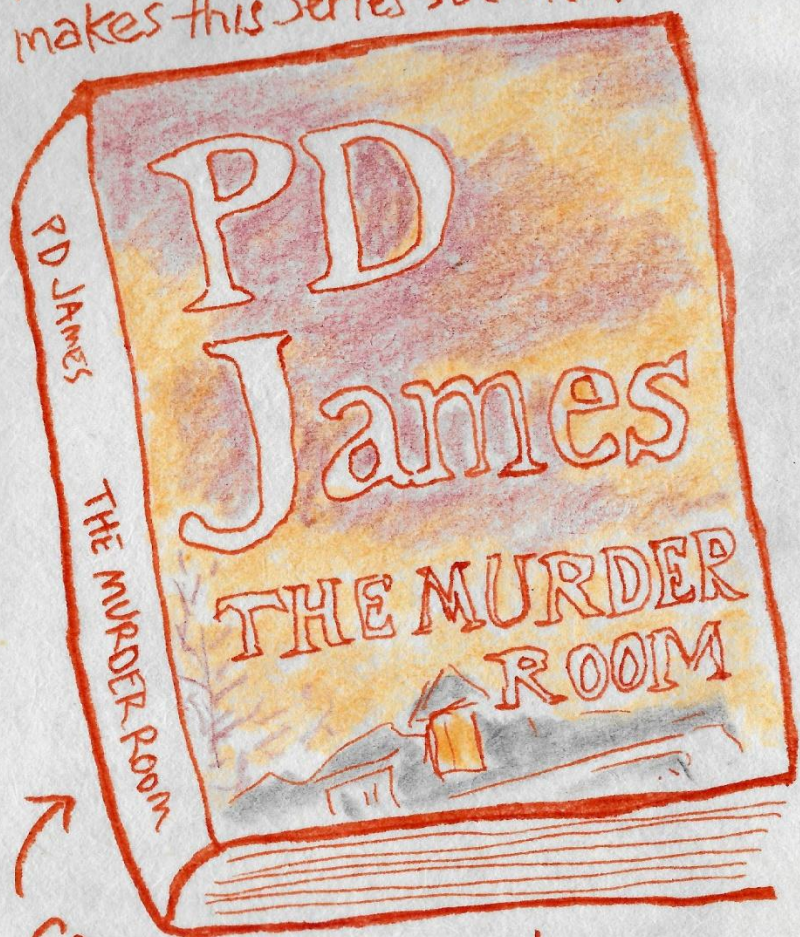

i found this book to be magical !!
a story about forests and trees were the

humans
are
merely
the
story
tellers
and
care
givers!!

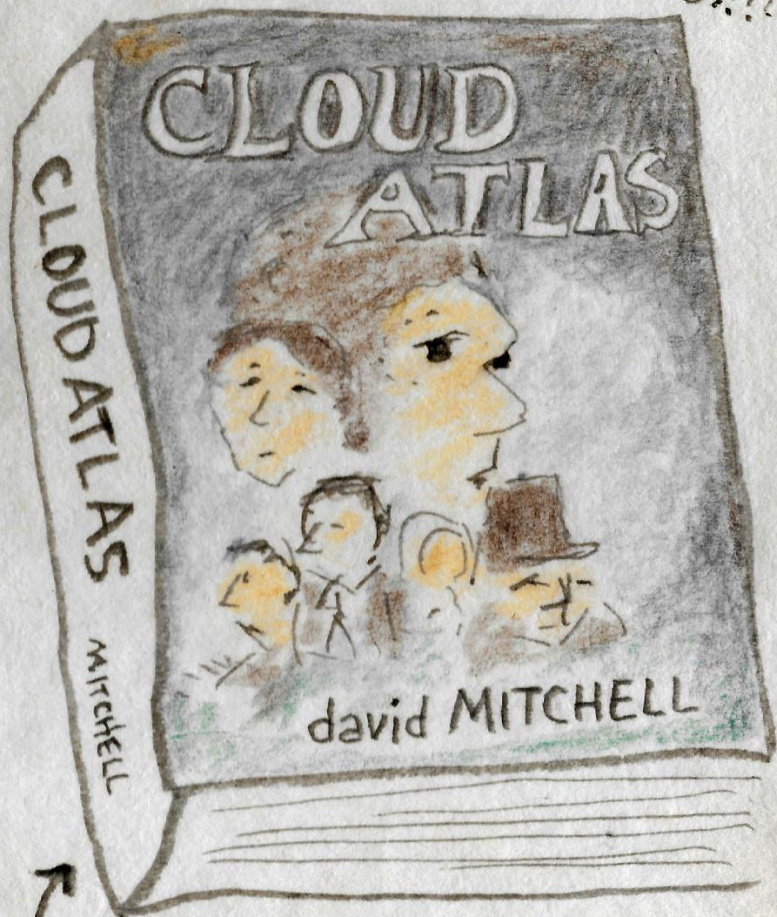

WOW! PURE MAGIC!

i liked it that the detective
is a caring man! the caring
makes this series such fun!

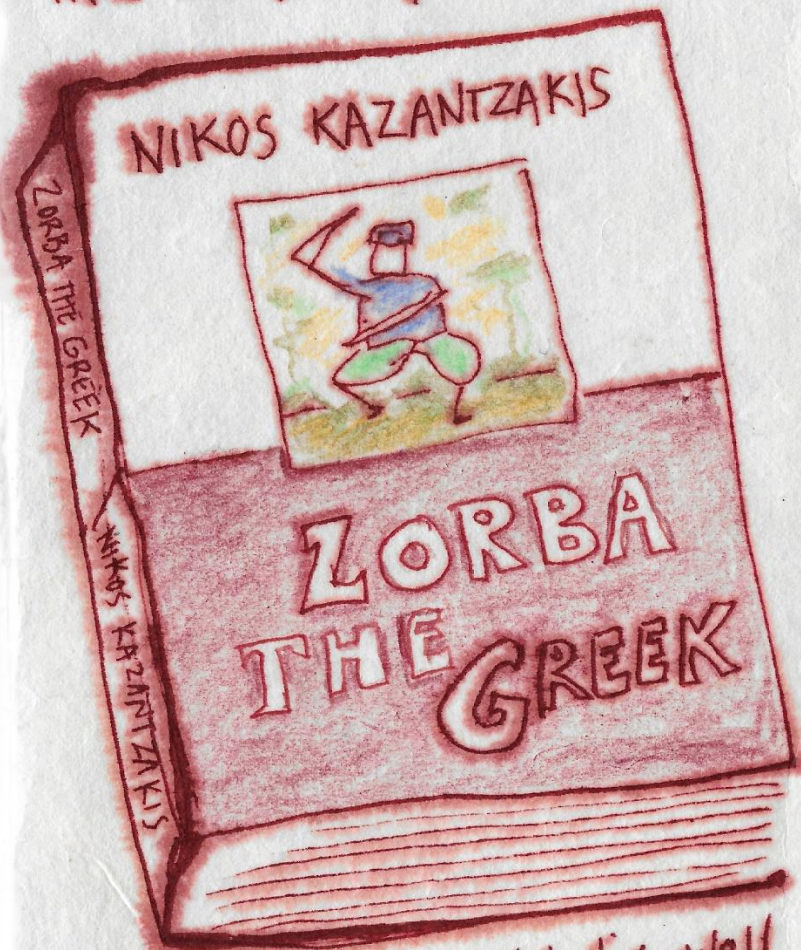

CARING IS THE POINT!
(DESPITE THE MURDERS!)

i totally LOVED the interconnected
puzzle!! WE'RE INTERCONNECTED!!!!

A MIND BLOWING BOOK!!

irrelished ZORBA's zany madcap
life and his responses to events...

...and how he managed to live well
anyway!!

i love the potent combination here
of whist, whisky, whisky, comedy
and history!

whenever
i'm feeling
glum this
book cheers
me up nicely!

LOVED THIS GRIPPING READ ABOUT
A GENTLEMAN WHO MAKES THE BEST
OF A BAD SITUATION!!

IT IS TOUCHINGLY BEAUTIFUL!!!

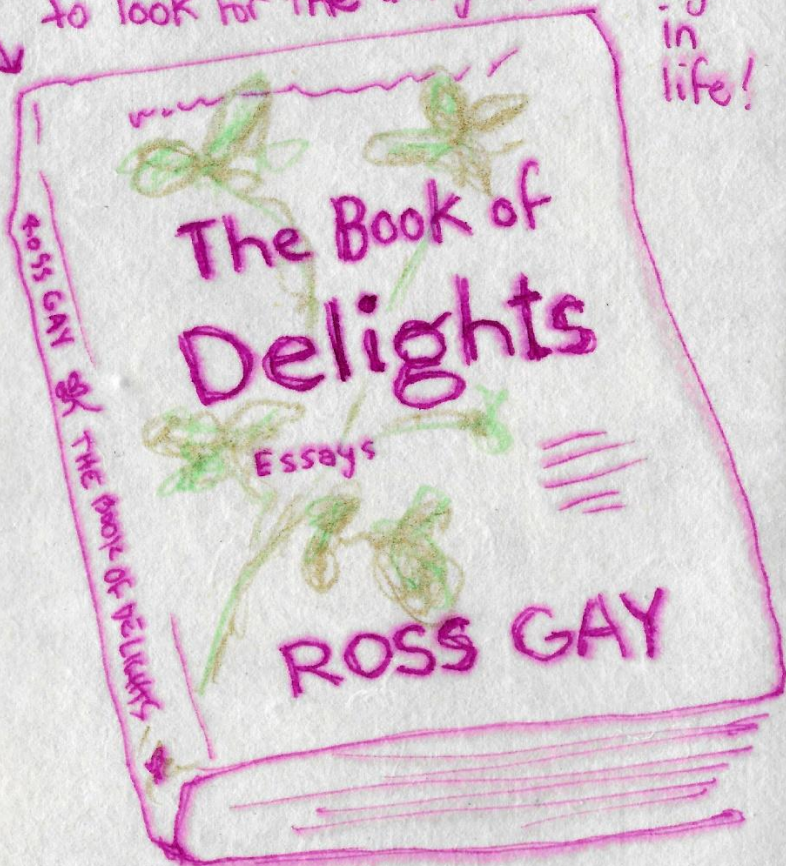

I LOVED REMEMBERING THAT LIFE IS WHAT WE

MAKE OF IT! ♡ ♡

i enjoy the simple pleasures of
these essays and the reminder
to look for the delightful things

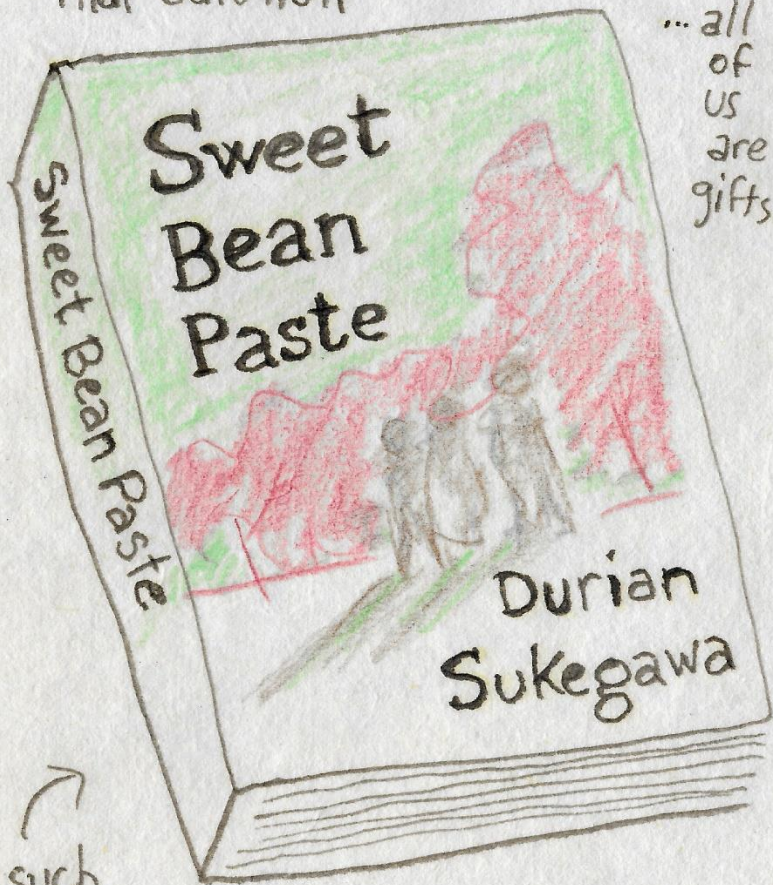

in
life!

this book is a comforting
evening read...

a sweet story of how ^{we} can all
make contributions to the world
that can help ...

... all
of
us
are
gifts!

↖
such
a darling book!

i loved the playful absurdities and
the illustration of how the qualities of
our lives stem from ways we respond
to events.

→ Such kind gentle humor! a cozy read!

this is a book of thoughts
and feelings about certain
books. commentary is in
first person because that's
easy. these book portraits
are just realistic enough that
you might recognize them in
a bookstore or a library.

this book was made by hand
using a dip pen and ink and
color pencils. why? because
of love and books and art supplies
and...
